User Information

Personalized comfort

- **Adapts to your profile**—MicroFit dial allows precise adjustments of the forehead support while the mask is on your face. Turning the dial sets the mask at the most comfortable position for you.
- **Seals to your facial contours**—soft and pliable, the dual-wall cushion with spring air technology follows the contours of your face and gently adjusts the seal accordingly.
- **Accommodates jaw movement during sleep**—the cushion includes a moving membrane at the chin.
- **A wide range of sizes**—XS, S, M and L ... you'll find a size that's just right for you.

Light and quiet

- **Feels light on the face**—streamlined design looks sleek and feels light.
- **Quiet performance**—built-in vents disperse air gently and quietly so you and your partner can enjoy a good night's sleep.

Making it easier

- **First-time fit**—it's easy to get acquainted with your mask when it fits you well the very first time you put it on. Your Mirage Quattro is designed for a good fit—first time, every time.
- **Easy to put on and take off**—convenient headgear clips and slots.
- **Ready to wear**—set-and-forget headgear saves your settings after first-time adjustment.
- **Easy to clean**—fewer parts make your mask simple to assemble and disassemble your mask.
- **Designed for your lifestyle**—comprehensive support package with travel bag, mask care DVD, quick-fitting guide and user guide.
