

Actual Size: 5 1/2" (Width) x 7" (Height)
 Ruler is for scaling purposes.

We provide the official document of the manufacturer

www.multidoctorshop.com

How to use the fitting template:

1. Cut out the template along the thicker dotted line
2. Cut out nasal holes along the thinner dotted line
 (hint: fold each nasal hole vertically in half to cut)
3. Follow visual guidelines on template to determine appropriate cushion size
